Capital Improvement Department to Discuss Frontera Traffic Study at District Community Meeting

WHO: Capital Improvement Department and District 1 City Rep. Brian Kennedy

WHAT: Frontera Traffic Study Update

WHEN: 5:30 p.m. Wednesday, Jan. 24, 2024

WHERE: Westside Regional Command Center
4801 Osborne Street

District 1 City Rep. Brian Kennedy is hosting Capital Improvement Department staff at a community meeting to provide an update on the potential impact of additional traffic generated by a future development near the Texas-New Mexico border.

In fall 2022, the City Council directed City staff to conduct a traffic study on Frontera Drive that would evaluate current and future traffic volumes, identify potential interventions, and evaluate their impact, conduct a multi-modal analysis, evaluate emergency response times and access, assess neighborhood level and more.

The public is invited to learn more and provide feedback on the traffic study update.
