El Paso International Airport to Start Terminal Drive Repaving Project

EL PASO, Texas—Beginning Monday, September 30, the El Paso International Airport will start repaving Terminal Drive. The project will begin in the evening and is expected to last approximately six weeks, barring any unexpected events.

Project highlights:

- **Work Schedule:** Repaving will occur both day and night.
- **Traffic Impact:** While roads and access to the airport will remain open, traffic will be limited to one lane during the work period.
- **Signage:** Road signs will be in place to assist drivers. Motorists are asked to follow detour signage and exercise caution around workers and travelers.
- **Tips for travelers:** Plan ahead and arrive early to the airport to avoid potential delays.

The work is part of the airport's efforts to improve your airport experience. For project updates, follow us on social media: [@flyelp](#).
