El Paso, Texas— A man was arrested last Friday after fleeing a traffic stop. A DWI task force officer was conducting traffic enforcement in the area of Vista Del Sol when he observed a motorcycle speeding. The officer's radar indicated he was traveling 55MPH in a 35MPH zone. The officer initiated a traffic stop; however, Frias refused to stop and drove away at a high speed. The officer lost sight of the motorcyclist and did not give chase. As the officer continued Westbound on Vista Del Sol at Bob Smith, he encountered a traffic crash. The officer stopped to investigate the impact, and while doing so, he recognized Frias was at the crash scene. When the officer attempted to take Frias into custody, he fled on foot. With the assistance of bystanders, Frias was taken into custody after a short foot pursuit and struggle. While Frias was being placed into a police car, he broke free from the officer and began to run away. The assisting officers caught up to Frias a second time, and Frias again resisted arrest. Frias was charged with two counts of Evading and two counts of resisting arrest. He was booked into the El Paso County Detention Facility.

It should be noted Frias was not involved in the vehicle accident.
