El Paso, Texas— Special Traffic Investigations unit continues to investigate a fatal hit-and-run crash. At around 5:41 this morning, officers were called out to Spur 601 East when a border patrol agent driving to work observed a body in the roadway. The preliminary information is the pedestrian was on the right side of the roadway when she was hit by an unknown vehicle. Investigators know that when the border patrol agent stopped to assist, a white box truck, believed to be a witness to the crash, had pulled over but left while the agent was directing traffic.

Investigators are asking for any witnesses to this crash to please come forward. The public is asked to provide any information that can assist in identifying the driver of the box truck or the driver who fled the scene after striking the pedestrian.
