El Paso, Texas – On January 27th, 2024 Special Traffic Investigators responded to a single vehicle collision at the 900 block of Carlotta and the 9400 Block of Marne. The preliminary investigation revealed a 2012 Yellow Honda Civic was traveling south on Carlotta at a high rate of speed as it approached a T-intersection at the 9400 block of Marne. Rodriguez who was operating the Honda Civic failed to make a turn and continued traveling straight at a high rate of speed, striking a rock wall. Jesus Manuel Cenicerros succumbed to injuries sustained in the collision.

The main contributing factors in this collision are speed and alcohol.

This is the 5th fatality this year compared to 8 in 2023.
